PETITION TO EXTEND THE TIME
FOR FILING THE APPEAL BRIEF

Sir:

Applicants respectfully petition and request that they be allowed until March 8, 1981 to file their Brief on Appeal of the above-identified case. This represents an extension of one month from the present Brief filing date.

Upon further consideration of the issued involved in this application, the applicants have decided to re-file the application and to permit the instant case to become abandoned after the new application is filed. The continuing application is in the process of being drafted and then must be forwarded to the applicants in France through their principal French representative and, therefore the continuing case cannot be filed within the current time for filing the Appeal Brief. Under these circumstances, it is respectfully submitted that an extension of time is warranted.

Approval of this request for an extension of time is respectfully solicited.

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Commissioner of Patents and Trademarks, Washington, D. C. 20231, on February 5, 1981
